This hole features a mandatory that sometimes plays to the right, and sometimes plays to the left (just follow the mando sign). A small stream between the basket placements is out of bounds. One tee, two basket placements, par 3 (199'/303).

**Hole #16:** While this hole is the shortest on the course, it can make or break your round. The green is surrounded by a low stone wall, and your shot from the tee must come to rest on the green (inside the wall), which is about 30' from the basket on all sides. Two tees, one basket placement, par 3 (116'/152').

**Hole #17:** This hole plays slightly uphill, either to the top of a large rock pile or to the far side of the rock pile, depending on the basket placement. One tee, two basket placements, par 3 (132'/182').
