Disc Golf Rules (1) Be earth conscious (2) Disc golf is played like ball golf, using flying discs. One stroke is counted each time the disc is thrown, and when a penalty is incurred (3) Tee throws must be completed within the designated tee areas (4) After teeing off, the player whose disc is the farthest from the hole always throws first. The player with the fewest strokes on the previous hole is first to tee off (5) Fairway throws must be made with the foot closest to the hole on the spot where the last throw came to rest (6) A run-up and normal follow-through, after release, are allowed more than 10 metres from the hole. Inside 10 metres, a player may not step past his/her lie "Falling of jumping" putts are not allowed inside 10 metres (7) A disc that comes to rest inside the Disc Pole Hole basket or chains constitutes successful completion of that hole. A disc that comes to rest on top of the pole hole does not constitute a successful putt (8) A disc that comes to rest more than 2 metres above the ground is considered unplayable. The disc must be thrown from the ground directly below the disc. 1 stroke penalty (9) A throw that lands out-of-bounds must be played from the point where the disc went out-of-bounds. 1 stroke penalty. Water, roads, pavilions, and walkways are normal disc golf out-of-bounds hazards. (10) Never throw until the players ahead of you are out of range and until the fairway is completely clear of spectators and park guests.
