Score Cards	5	Sufficient but basic.
Current Basket Positions	5	[Not applicable]

### Special Features

Only 3 baskets with 16 tees. To make 18 holes you alternate the nines Long and Short by playing 1L, 2 Sh, 3L, 4 Sh...  
Lighted for night play and has an active league.

### Miscellaneous

It could be dangerous throwing over a baseball field. With only 3 baskets it's hard to remember the hole layouts, so make sure to have a map or a local guide. This a great way to introduce disc golf in a very small neighborhood park.

### Holes Birdied

5S, 6S, 9S.

### Favorite Hole(s)

8L. Drive over the water with the pond on your right side./ 8S. A nice tunnel of woods./ 5L. Drive over the pond.

### Toughest Hole(s)

3L. A pretty long throw up a steep hill./ 6L. Your dirve has to clear the pond and the trees then go up the steep hill. WSA=4.2 and par=4.

### Comments

Very creative to make 18 holes with only 3 baskets. The designer deserves an A+ for making the best of the available land!  
It's still a very small park with a ball field in the middle of it, though.
