

West Ashley Park Disc Golf Course

WILDLIFE WARNING

• **Yellow Jackets**

- If a colony is disturbed, a person should slowly walk away with both hands covering the face.
- Walk toward dense vegetation or enter a vehicle or building to avoid the stinging insects.
- Swift movements will only attract more yellow jackets.

• **Alligators**

- Do not feed
- Do not swim
- Keep distance from nests
- Keep children and pets away from them

• **Chiggers (prevention)**

- Using spray repellants.
- If attacked, try not to scratch, it WILL become worse if you scratch.

• **Timber Rattlers**

- If you come across the path of a rattlesnake, the simple thing to do is get out of that area.
- If bitten, seek immediate medical attention.
