Disc Golf Course

COURSE RULES

GOLFERS ALWAYS HAVE THE RIGHT OF WAY

Golfers have the right of way. Wait until golfers have passed the basket before playing any hole that requires you to throw in the fairway.

GOLD TEES

Gold tees are generally not present except for the week of a tournament. Sometimes, gold tees *may* be present on holes 1, 11, 13 and 16.

OUT OF BOUNDS

1. All golf greens are out of bounds on all holes. Do not throw from any golf green. If your disc lands on a green, pick it up and take 1 meter relief from the point where it entered above the green.
2. All private yards adjacent to the golf course are out of bounds whether fenced or not. Do not cross a fence to get your disc without the permission of the property owner. If you go into a private yard, take 1 meter relief from the fence or property line.
3. Where "Across Cart Path OB" is shown, the cart path itself is NOT OB. However, you *may* take free relief up to one meter from the cart path.

THIS CADDY BOOK

Because permanent tee signs and other equipment get in the way of golf course maintenance, this book is intended to take the place of tee signs and navigation signs. If you have any problems navigating the course, please feel free to give us any suggestions you have.
