

Pine Ridge Park Disc Golf Course

Disc Golf Course Rules

Disc Golf is played like golf. One stroke is counted each time the disc is thrown or when a penalty is incurred. The lowest score wins.

Tee Throws: Tee throws must be made from within or behind tee areas.

Lie: The spot where the previous throw landed.

Throwing Order: After teeing off, the player whose disc is furthest from the hole throws first. To avoid being hit, other players should stand behind the individual throwing the disc.

Fairway Throws: The spot of your previous throw becomes the foul line. As you throw, your front foot may not go past the spot where the disc has landed.

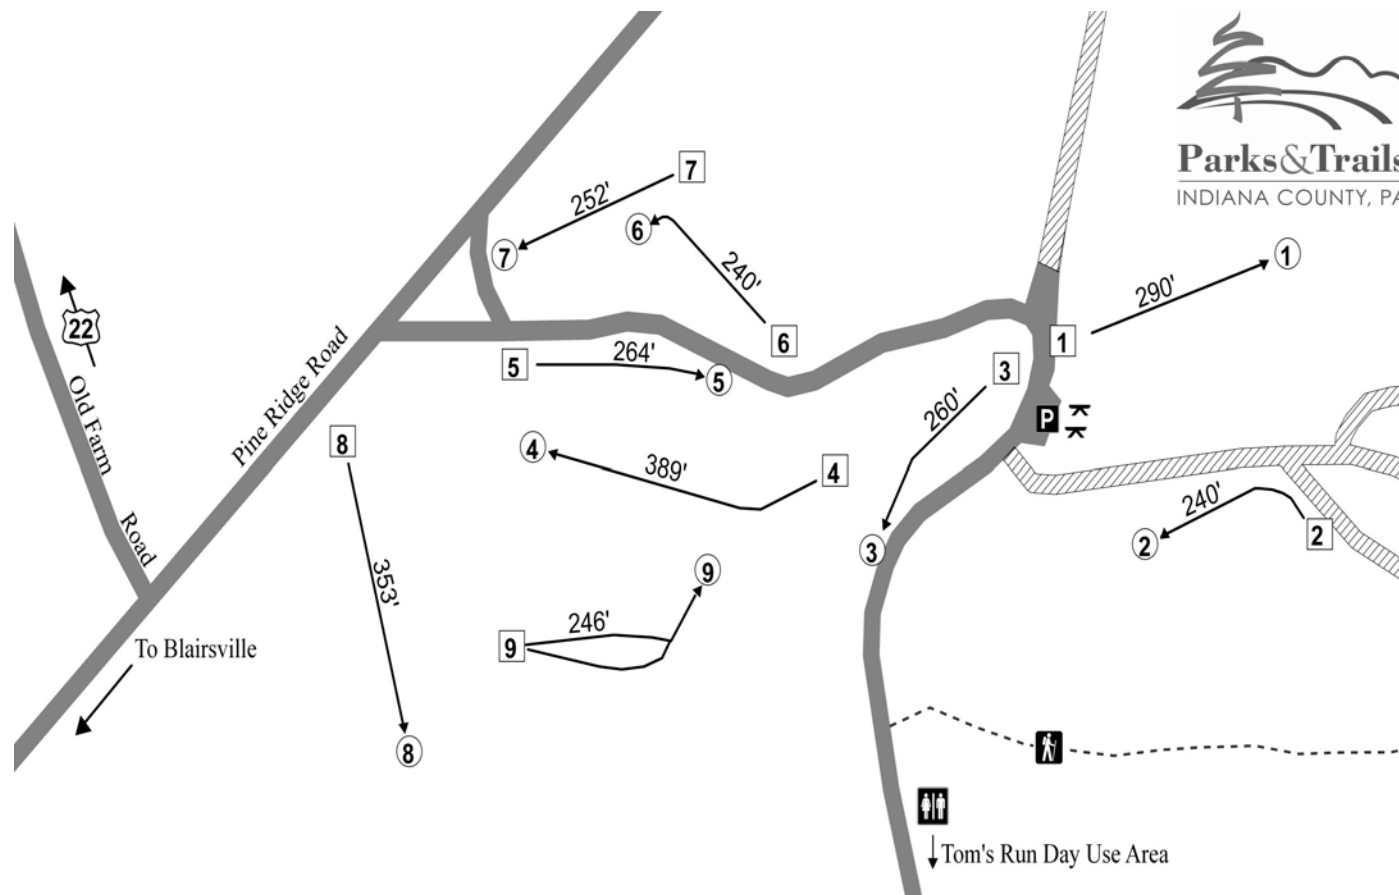

Putt Throws: Within 10 yards of the basket, a player may not step past the point of lie in making the putt throw. Falling or jumping throws are prohibited.

Completion of Hole: A disc dropping into the basket constitutes completion of that hole.

Unplayable Lie: Any disc that lands more than six feet above ground is considered an unplayable lie. The disc must be thrown from the new lie on the ground, directly below the unplayable lie. A one stroke penalty is assessed.

Out of Bounds: A throw that lands out of bounds must be played from the point where the disc went out of bounds. All roads are always out of bounds. A one stroke penalty is assessed.

Course Courtesy: Be aware that Pine Ridge Park has many visitors. Don't throw until players and other park users are out of range. Watch out for cars while playing.
