

Welcome to Northend Disc Golf Course. We hope you enjoy these fairways as much as we do. Please be respectful to other players and the grounds. The maintenance of the course is shared by the City of Big Rapids and Big Rapids Disc Golf Club. Often, a volunteer is left to pick up trash and clear debris. If you pack it in, please pack it out. May your drive always land in the fairway, and may you never lose your way.

## DISC GOLF

Objective of the Game: Disc Golf is played like traditional "ball" golf - one point (stroke) is counted each time the disc is thrown and when a penalty is incurred. The goal is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins.

SAFETY FIRST: Never throw when players or park users are within range. Always give park users the right of way. Be aware of your surroundings and environment.

Lie: The lie is the spot where the player's previous throw has landed. Mark lie with a mini disc or turn over the thrown disc, directly towards the hole or designated fairway. The player's subsequent throw is made from directly behind the marked lie.

Throwing Order: The player with the least amount of strokes on the previous hole is the first to tee off on the next hole. After teeing off, the player whose disc is farthest from the hole always throws first.

Fairway Throws: Fairway throws must be made from directly behind the lie. A run-up and normal follow-through, after release, is allowed, unless the lie is within 10 meters of the target. Any shot within 10 meters of the target requires that the player not move past the lie until the disc is at rest.

Unplayable Lie: Any disc that comes to rest above the ground is considered an unplayable lie. The disc must be thrown from the lie on the ground, directly underneath the unplayable lie, relocated to avoid damage to the vegetation.

Out Of Bounds: If any area of O.B. is visible between the disc and O.B. line, then the disc is considered O.B. A throw that lands out of bounds, must be played from a point 3 feet in bounds from where the disc went out of bounds. Permanent water hazards and public roads are always out of bounds.

Penalties: Recreational players will not be penalized for rule infractions. Other players will keep you honest.

Course Courtesy: Remain quiet and avoid unnecessary movements while others are throwing. Stand behind the player who is throwing until throw is complete. Help new players learn the rules. Allow faster groups to play through when possible. Pick up trash and put in proper receptacles. Do not alter the course (trees, bushes, etc.) in any way.

This is the alt scorecard, created for additional use. The map may be torn off and this card can be used with the main card.

The main card is split on the reverse side, (and can be unfolded completely for ease of scoring) When folded correctly, the Northern Logo (Cover) should be visible on one side, and the Player Flap should be folded over the Letter to show #1 East/#1 West first on the card. When ready, simply flip along the right fold and tuck the second section under the Player Tab.
