

Disc Golf Recreational Rules & Etiquette

The following are the disc golf rules for recreational play. The rules are simple and are easy to learn and are meant to give the basic framework for playing the game.

Objective of the Game

Disc Golf is played like traditional "ball" golf, but with flying discs instead of balls and clubs. One point (stroke) is counted each time the disc is thrown and when a penalty is incurred. The goal is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins.

SAFETY FIRST

Never throw when players or park users are within range. Always give park users the right of way. Be aware of your surroundings and environment.

Tee Throws

Each hole begins with a tee throw. Tee throws must be completed within or behind the designated tee area. Please throw from the white tees if you are newer player.

Lie

The lie is the spot where the player's previous throw has landed. Mark lie with a mini disc or turn over the thrown disc, directly towards the hole or designated fairway. The player's subsequent throw is made from directly behind the marked lie.

Throwing Order

The player with the least amount of strokes on the previous hole is the first to tee off on the next hole. After teeing off, the player whose disc is farthest from the hole always throws first.

Fairway Throws

Fairway throws must be made from directly behind the lie. A run-up and normal follow-through, after release, is allowed, unless the lie is within 10 meters of the target. Any shot within 10 meters of the target requires that the player not move past the lie until the disc is at rest.

Completion Of Hole

A disc that comes to rest in the basket or chains constitutes successful completion of that hole.

Out Of Bounds

A throw that lands out of bounds, must be played from a point 1 meter in bounds from where the disc went out of bounds. Permanent water hazards and public roads are always out of bounds.
