Hole No. 7	300 ft.	Par 3
Hole No. 8	252 ft.	Par 3
Hole No. 9	375 ft.	Par 3

Brief History of Disc Golf

Disc golf was first played in 1926 with tin plates that were thrown at trees and fence posts. Today more than 25 different countries have organized disc golf events worldwide. People of all ages play disc golf, making it one of the greatest lifetime fitness sports available. Disc golf is so easy to learn, no one is excluded. Players merely match their pace to their capabilities, and proceed from there.

Foss State Park's Disc Golf Course at Cedar Point is a 9 hole course, and is over 2,800 ft. in distance. Our baskets are made out of recycled tires and are "Made in Oklahoma." Rental discs are available at the Foss State Park Office.

Course Courtesy

- Remain quiet and avoid unnecessary movements while others are throwing.
- Stand behind the player who is throwing until throw is complete.
- Remove disc from Disc Pole Hole® after completing the hole.
- Help new players learn the rules.
- Allow faster groups to play through when possible.
- Pick up trash and put in proper receptacles.
- Do not alter the course (trees, bushes, etc.) in any way.

DISC GOLF RULES for RECREATIONAL PLAY

Objective of the Game
Disc golf is played like traditional "ball" golf, but with flying discs instead of balls and clubs. One point (stroke) is counted each time the disc is thrown and when a penalty is incurred. The objective is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins.

SAFETY FIRST
Never throw when players or park users are within range. Always give park users the right of way. Be aware of your surroundings and environment.

Tee Throws
Each hole begins with a tee throw. Tee throws must be completed within or behind the designated tee area.

Lie
The lie is the spot where the player's previous throw has landed. Mark lie with a mini disc or turn over the thrown disc, directly towards the hole or designated fairway. The player's subsequent throw is made from directly behind the marked lie.

Throwing Order
The player with the least amount of strokes on the previous hole is the first to tee off on the next hole. After teeing off, the player whose disc is farthest from the hole always throws first.

Fairway Throws
Fairway throws must be made from directly behind the lie. A run-up and normal follow-through, after release, is allowed, unless the lie is within 10 meters of the target. Any shot within 10 meters of the target requires that the player not move past the lie until the disc is at rest.

Unplayable Lie
Any disc that comes to rest above the ground is considered an unplayable lie. The disc must be thrown from the lie on the ground, directly underneath the unplayable lie, relocated to avoid damage to the vegetation.

Out of Bounds
If any area of O.B. is visible between the disc and O.B. line, then the disc is considered O.B. A throw that lands out of bounds, must be played from a point 3 feet in bounds from where the disc went out of bounds. Permanent water hazards and public roads are always out of bounds.

Dogleg
A dogleg is one or more designated trees or poles in the fairway that must be passed as indicated by arrows. Until the dogleg is passed the closest foot to the dogleg must be on the lie when the disc is released.

Completion of Hole
A disc that comes to rest in the Disc Pole Hole® basket or chains constitutes successful completion of that hole.

Penalties
Recreational players will not be penalized for rule infractions. Other players will keep you honest.
