

**A.** Players should not throw until they are certain that the thrown disc will not distract another player or potentially injure anyone or any pet present within the paseos.

**B.** Players should take care not to produce any distracting noises or any potential visual distractions for other people enjoying the paseos. Examples of discourteous actions are: shouting, cursing, free styling, slapping course equipment, throwing out of turn, throwing or kicking golf bags, throwing minis, and advancing on the fairway beyond the away player. *Shouting at an appropriate time to warn someone in danger of being struck by a disc is not a violation of courtesy.*

**C.** Refusal to perform an action expected by the rules, such as assisting in the search for a lost disc, moving discs or equipment, or keeping score properly, etc., is a courtesy violation.

**D.** Entering onto a private property along the course is trespassing and is a courtesy violation.

**E.** Littering is a courtesy violation.

**F.** Courtesy dictates that players who smoke should not allow their smoke to disturb others. Smokers should extinguish their cigarettes and carry their cigarette butts to a trash can. Disposing of cigarette butts by dropping them on the ground is littering.

**G.** Repeated violations of courtesy rules may result in loss of course privileges.
